波塞冬船舶
POSEIDON

Poseidon is a plate aluminum commercial and working boats manufacturer and has 3 shipyard located in Qingdao, Jinan and Xinyi.

Specializing in design and build the 8m-25m boats and ships for marine transportation, construction & Engineer, rescue and a wide spectrum of commercial applications. Poseidon has built numerous types of vessels for the clients in the world and all of our boats are custom made to client specifications or government contract.

The extraordinary value of Poseidon is in its high standard, we make sure your work is safe and high efficient.

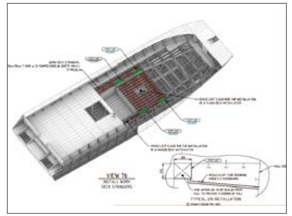

All the CAD/CAM Nesting design and build drawing by CCS standard.

The boat build as per the China MSA rules for statutory survey of Coastal boats.
Stability report to be fulfilled the request of coastal vessel of MSA.

Hull Welding Specification:

From 5083-H116 material to welding wires to welding use gas & experienced qualified welders.
Total vessel fit-out is completed at our factory workshop for a Turn key Package Options.

Quality Control:

TIG and MIG are to be adopted for all ships. The ultrasonic inspection to be carried out for the cross joint of seam and other important welding place.

Poseidon believes in letting boats speak for itself by the high standards. We ensure this by managing every step of the process from design, fabrication and quality control, we control all aspects of the products in-house.

There is a reason we are Poseidon - when it comes to aluminum commercial boats, we are the professionals.

WHY ALUMINUM BOAT
铝船的优势

- Holds Value – Built to last for generations.
  保值-经久耐用
- No Rust – Natural resistance to oxidation
  无锈-天然的抗氧化性
- Zero Maintenance – No buffing
  无需专门保养-无需抛光
- Strength-to-Weight Ratio – 10x stronger than fiberglass
  强度重量比-比玻璃钢材质强10倍
- Save Fuel in Tow & on Water – up to 40% lighter than fiberglass (em
  在托运和水上运行时更省油-比玻璃钢材质轻40%（空载情况下）

Aluminum has been proven by science to be the ultimate material for boat building because of its superior strength-to-weight ratio and natural resistance to rust.

科学证明铝是最佳的造船材料，因为它具有优异的强度重量比和天然的抗锈性。

01

Landing Craft/登陆艇系列

Landing craft series is constructed for various tasks. Large deck area, broad bow design, sufficient storage space and comfort cabin arrangement provide high probability for multi-functional and multi-area work over water. This series has been widely used in fairway buoy service, cargo transportation, diving and so on.

登陆艇系列可以满足多种用途需求。宽大的工作甲板，宽敞的船设计，充足的储存空间和舒适的舱室布置为满足多用途、多领域的水上作业提供了可能。该船型被广泛应用于航标服务、货物运输、潜水作业等领域。

Rescue Boat/救生艇系列

These seriel boat for military, federal, state and local law enforcement, rescue agencies throughout around the world. we pride ourselveson designing and building highly reliable andextremely durable vessels that enable professionalrews to excel at their jobs while keeping them safe.

Fire Boat/消防船系列

Fire Fighting boat is built with Marine grade aluminum alloy , with dimensions L8530mm*W2900mm*H2900mm . Max passengers on board 21 ,fuel tank capacity 2*200L , sea state 5 operation , max speed ⩾38 knots , crusing speed ⩾30 knots , crusing range 150 nautic miles .

6.5m Firefighting boat

Length	Beam	Hull Thickness	Side Thickness	Motor HP	Number Of People
6.5M	2.3M	6MM	4MM	130-200HP	4-6

Patrol Boat Series/巡逻船系列

Patrol boat series have design speed as much as60knot. With multi-function, excellentmaneuverability, solemn hull-design and solidstructure, it can fulfill needs of multi-sections ofofficial department. This series has been widely usedin patrol, fishery supervising, border defense,customs and so on.

巡逻船系列设计航速可达60节，功能多样，操控性极佳，同时船体设计庄重简洁，满足了多部门水上公务执法的需求。该船型被广泛应用于海事执法、渔政、边防巡逻及海关缉私等。

Pilot Boat Series/引航船系列

Pilot boat series can be equipped with varieties of multi -functional special equipment in order to fulfillpiloting task. This boat model with good stability.safety and low noise level can give full rest to pilots.This series has been widely used in piloting,patrolling, transporting personnel and so on.

引航船系列可配备种类齐全、功能多样的设施设备，以满足引航任务的需求。该船型航行稳性极佳，安全高效，航行过程中驾驶室内舒适安静，可以保证辛苦的船员不再继续劳累。该船型被广泛应用于港口引航、巡逻执法、人员输送等相关行业领域。

Luxury Yacht/豪华游艇系列

Every modern convenience is found on this series. This series not only has robust and durable construction but also with beautiful appearance and excellent performance. Buying a superyacht is one oflife' s pinnacle achievements, here we build onepassion only: the freedom that only luxury yachtingoffers.

在豪华游艇系列上可以找到所有现代化便利设施。它不仅结构坚固、结实耐用，而且外型美观、性能优良。买一艘豪华游艇是人生巅峰成就之一，在这里我们只打造一种激情:只有豪华游艇才能带来的自由。

House Boats/房艇系列

During your day trip on your pontoon boat, take dvantage of the convenience and comfort with all of the additional space you have available. Your guests will have room to stretch out and enjoy a day on the water.
